ABOUT THE ARIZONA JUSTICE PROJECT

In 26 years, the Arizona Justice Project (AJP) has helped free 51 individuals from prison. AJP receives letters for assistance daily and currently has 20-30 cases in either active investigation or litigation. The AJP social work team continues to provide crucial support and basic needs to our clients upon release, and we continue to introduce legislation to promote fairness within the criminal justice system.

ABOUT THE EVENT

The One Injustice is One Too Many Gala brings together hundreds of community members and increases awareness about AJP's work. Net proceeds from this event support the work of AJP to seek justice for the innocent, wrongfully imprisoned, and those who have suffered a manifest injustice.

This year's program will include stories from directly impacted people in Arizona.

We cannot do this work without your support. Help us make this year's gala the best one yet!
