One Injustice is One Too Many Gala 2024

The Arizona Justice Project (AJP) respectfully requests your engagement and presence at our upcoming 2024 One Injustice is One Too Many Gala, taking place on Friday, March 1st at the Scottsdale Resort and Spa.

In its 26-year-history, the AJP has helped free 43 individuals from prison. We receive letters for help every day and currently have 20 cases in either active investigation or litigation; and our social work team continues to provide crucial support to our clients upon release.

This event raises the funds necessary for us to seek justice for the innocent, the wrongfully imprisoned, and those who have suffered a manifest injustice in Arizona. We cannot do this work without your support. Help us make this year's gala the best one yet!

One Injustice Is One Too Many Gala

The Gala brings together hundreds of community members and increases awareness about AJP's work. This year, the Gala will take place at the beautiful Scottsdale Resort and Spa. Our keynote speaker is Kirk Bloodsworth who is the first individual sentenced to death in the United States to be later exonerated by DNA testing.

For more information, visit our event website at azjusticeproject.org/gala2024.
