About the Arizona Justice Project

In 28 years, the Arizona Justice Project (AJP) has helped free 54 individuals from prison and has engaged in litigation that has provided relief for hundreds of others. AJP receives letters for assistance daily and currently has 20-30 cases in either active investigation or litigation. The AJP social work team continues to provide crucial support and basic needs to our clients upon release, and we continue to introduce legislation to promote fairness within the criminal justice system.

About the Event

The One Injustice is One Too Many Gala brings together hundreds of community members and increases awareness about AJP's work. Last year, ***nearly 500 guests*** *attended! Net proceeds from this event support the work of AJP to seek justice for the innocent, wrongfully imprisoned, and those who have suffered a manifest injustice.*

This year's keynote speaker will be ***Ray Krone****, who was exonerated in Arizona 25 years ago and who co-founded Witness To Innocence.*

We cannot do this work without your support. Help us make this year's Gala the best one yet!
